**MISSION STATEMENT**

St. Joseph University Parish is a Catholic community proclaiming the Gospel of Jesus Christ by living it through worship, prayer, faith formation and service.

Dear Parishioners,

One way to look at the Feast of Pentecost is to consider what it would be like if the Holy Spirit had not descended upon his disciples. Simply put, without the Holy Spirit nothing would have happened. Even though they had experienced the risen Jesus, they were still a frightened group of disciples locked in a room. They certainly would not have left home and risked their lives to preach about the Risen Christ, nor would have they been willing to die a martyr's death for their faith in Christ as most of the apostles did.

With the Spirit, however, they were energized and emboldened to get out of the locked room and preach about the Risen Christ and begin the Church that we have today. That same Holy Spirit is available to us today, to energize us and give us courage to live our life of faith in a world that too often follows others values. We would do well to pray for the gift of the Spirit in our lives.

Father Richard

**On a personal note:** I am at the end of my second term as pastor here at St. Joe's and will be transferred to another parish this summer. My last weekend here will be July 17-18 and the new pastor will arrive the week of July 26. I am very grateful for my time here and all of the kindness you have shown me. I will say more about this at a later date.
